PrideInOurHealth@yavapiaz.gov

Yavapai Pride in Our Health provides resources to the LGBTQ+ community on how to find a competent healthcare provider and will distribute literature on how to report discrimination in healthcare based on sexual orientation or gender identity. YPOH also maintains a partnership program with local healthcare facilities and providers to identify culturally competent and sensitive providers committed to providing the highest quality care to all people, including sexual and gender minorities. YPOH is working towards leading a working group/coalition of local organizations involved in public health for improving health outcomes of the LGBTQ+ community in Yavapai County.
